9.30am to 4.00pm Monday to Friday

Message to Parents

- **Materials** are included in the cost of most classes but not all. Please take note of any special requests on the program.
- Children need to bring **morning / afternoon snacks**, as well as **lunch** if they are staying for the day.
- Because of the danger of **allergic reactions** please avoid sending food containing peanuts.
- It is most important that you inform the office if your child needs to be given **medication** during the day, or if there is any other matter that we may need to know concerning your child.
- We recommend that children wear **old clothes** or some sort of protective clothing as they will be working with paint, glue, clay and other messy materials. It is an Occupational Health and Safety Requirement that all students wear enclosed shoes. **Please ensure that your child wears enclosed shoes.**
- We need to be able to **contact you** whilst your child is in our care. Please ensure that we have your current home, work, or mobile number.
- Please advise us if someone else will be **collecting your child** on your behalf.
- A **disruptive child** can ruin the experience for many other children. We reserve the right to temporarily remove a disruptive child from the class for a "time-out" period or to send a constantly misbehaving or distressed child home.
